Return or Pump Work - Water Test Request

Form 3300-265 (R 07/22)

Notice: This form is authorized by chs 280 and 281, Wis. Stats. and ch. NR 812, Wis. Adm. Code. Use of this form is required under s. 812.46(4), Wis. Adm. Code. This form will be used to determine pump installer compliance with bacteria, nitrate and arsenic sampling requirements. This form may not be used for property transfer well inspection samples or for public water system compliance samples.

Instructions: Obtain required sample bottles from a certified drinking water laboratory and collect samples according to the laboratory's instructions. Fill out all sections of this form completely, except the area marked Laboratory Use Only. Deliver this completed form with collected water samples to a certified drinking water laboratory within 48 hours of sample collection.
